- Preloaded with **WhatsApp** and **Facebook**.
- **SD Card expandable** up to **32 GB** (not included).
- Built-in FM radio.
- FM Antenna via Ear Phone only
- Includes 12 months of **unlimited** international and domestic **outbound calling to 60 countries** via the ROK Talk WiFi calling app.

**All ROKiT Phones include 12 months of ROK Talk.**

The flip phone is back! The ROKiT F-One has a screen that won't crack (easily), it's very affordable, and it takes pretty great pictures. It also includes ROK Talk so you have access to WiFi and is preloaded with important apps like Facebook and WhatsApp. It may not be flashy like a smartphone but it has great features and a great personality.
